

# Danio Assay Laboratories Sdn Bhd

**DANIO ASSAY KIT: Rapid Zebrafish Embryo Toxicity Test Kit**  
Cheap, dynamic and robust animal model for toxicological screening tests

## Robust in vivo toxicity testing Kits using zebrafish embryo

DANIO ASSAY™ Kit is a quick and ready-to-use zebrafish embryo toxicity test for determination of toxic levels of drugs, chemical substances, food or pesticides.

### ACHIEVEMENT

**Sales RM25,000**

### CURRENT STATUS

- Minimal Viable Product (MVP) refinement
  - Consistent embryo productions
  - Kit Manuals and Videos
- Market Validation
  - Solution interviews with MVP
  - Business Model
- Market Fit
  - Product sustainability
  - Scale Fit
